## Adolescent Girls' Camp – Towards Health and Confidence

We organized camps for **81 girls** across Patichwal, Nargisnagar, Althan, and Zero Modi. Sessions covered essential topics including **menstruation awareness, nutrition, education pathways, marriage decisions, and career planning**. Mothers actively encouraged the **continuation of such programs, recognizing their critical importance.** 2

**Kidney Awareness Camp – Early Detection, Safer Life**

**Kidney Awareness camps** reached **182 participants** across six communities. During screenings, we identified **16 individuals with elevated blood pressure** and **9 women with higher sugar levels**. All were provided with immediate guidance and referrals for timely treatment.

**Bhagyalakshmi Credit Society – Financial Empowerment**

We provided loans totaling **₹12,05,000** to **15 members** for education, household, and medical expenses. With **37 new members** joining, the society continues to grow stronger and reach more families in need.

**Health Check-up Camp – Message of Well-being**

Health camps for **79 people** were held in **Patelnagar, Hegdewad, Islampura and Chimni Tekro.**

Live demonstrations on **hygiene, nutrition, and addiction prevention** were conducted. Medicines were distributed as needed.

### Meeting of Navchetna Members

A meeting of **49 Navchetna members** was held to do follow-up of the work regarding the celebration of **Women's Day** was taken. Members learned that **behind any successful program is not just an idea, but the desire to continuously track that idea (follow-up) and improve it together.**

### Visit to Urban Health Center – Althan, Surat

To promote community-level health awareness, **35 children** visited the **Urban Health Center in Althan**, understanding **immediate healthcare access, services**, and local health support mechanisms, with the aim of becoming **community awareness ambassadors.**

## Sports Festival – Unity and Enthusiasm through Sports

To foster sportsmanship and community bonding, we celebrated Sports Day across 5 areas with enthusiastic participation from **198 children and 41 parents**. The event aimed to instill interest in physical activities and strengthen **teamwork skills**—goals that were beautifully achieved.

## Ignatian Leadership Training

To enhance their leadership style, **16 staff members** from Navsarjan participated in a two-day **training program conducted by Father Amros**. Through engaging activities, the session demonstrated how a positive attitude fosters a more **effective workplace, enabling the staff to fully internalize the core values** of Ignatian leadership.

## Academic Progress and Parent Participation

We held meaningful parent meetings with **164 guardians across 8 classes**. Discussions centered on key foundations: **child discipline, regular attendance, cleanliness, and active parental involvement in education**. The response was overwhelmingly positive.

## Career Guidance Sessions

Interactive **dialogue sessions with 25 children** helped them envision their futures. We discussed the importance of career **planning, advantages, and challenges involved**. Children gained clarity on their goals and the educational paths **needed to achieve them**.

## Government Schemes – Awareness and Benefits

We educated **246 individuals** about **government schemes during February**. As a result, **130 beneficiaries accessed direct benefits** through programs including Aadhaar, Sukanya Samridhi, pension schemes, and e-Nirman.
